Sales Performance Dashboard — Screenshot Review

This document captures the completed sales dashboard prototype built to support Granite Commerce's weekly pipeline reviews and monthly revenue review cadence.

Contents:

1. State A — default view, all regions, all reps
2. State B — filtered view, Region = APAC

Each screenshot shows the KPI strip, revenue trend, pipeline-by-stage, regional breakdown, outcome mix, and rep performance table responding consistently to the active filter selection.

Rep Performance — DRILL-DOWN

	SALES REP	TEAM	DEALS	WON	WIN RATE	BOOKED REV.	AVG DEAL	ACTIVITIES
01	Maria Chen	Falcons	59	14	50.0%	$14.02M	$1.20M	2,330
02	Ben Carter	Titans	50	18	56.2%	$2.87M	$160K	2,025
03	Rita Alvarez	Wolves	42	16	61.5%	$2.64M	$165K	1,636
04	Devon Ortiz	Falcons	44	16	61.5%	$2.64M	$165K	1,851
05	Noah Kim	Comets	55	16	50.0%	$2.47M	$155K	2,156
06	Sam Keller	Wolves	64	18	54.5%	$2.46M	$137K	2,195
07	Jack Wilson	Comets	63	23	56.1%	$2.42M	$109K	2,313
08	Aiko Tanaka	Wolves	53	22	75.9%	$2.39M	$109K	1,798
09	Marco Rossi	Titans	62	17	41.5%	$2.15M	$546K	2,463
10	Yuki Sato	Titans	54	15	46.9%	$2.14M	$143K	1,973

⚠ **Data quality flag:** APAC / EMEA totals include a small number of outlier deals (2–3× segment norms) surfaced by the anomaly-detection filter. Maria Chen's booked revenue reflects one $9M+ opportunity flagged for finance verification — exclude from rep coaching comparisons until confirmed.

10 Noah Kim	Comets	18	5	45.5%	$308K	$62K	720

⚠ **Data quality flag:** India territory total is skewed by one $9M+ opportunity (Maria Chen, Falcons) flagged by the anomaly filter for finance verification. Win rate and average-deal-size figures above are shown as-is; exclude the flagged deal before using average deal size for coaching conversations.
